Unfinished Business

6.1

Unightly Properties

Administration sought clarification on how the LUD wished to proceed on issuing notice to a property that was unsightly but was undergoing a transfer of ownership. It was agreed that a notice of contravention would be issued to the corporation undertaking ownership, as per the by-law.

Other discussion focused on planning a tour of town to pro-actively issue warnings to potentially unsightly properties at the start of the summer season.

6.2

Beautification

The group discussed remediation efforts at the ball diamond ahead of fencing and the spring sports season. The RM Public Works would attend the site with equipment to fill in ruts and lay grass seed. If additional efforts were required, Councillor Mykula advised that she could assist in exploring donation opportunities with landscaping. LUD Member Izzard also agreed to explore sponsorship options with area businesses.

6.3

Spring Newsletter

Discussion focused on approving the draft newsletter and confirming the included information. The town clean-up bin dates were confirmed and would be ordered by the RM Office. The newsletter would be mailed out once edits had been completed.
